

Remarks/Arguments

Applicants have amended the specification to provide the priority claim. The claims have been amended to remove multiple dependencies and to otherwise place the claims in an appropriate U.S. format.

Certain claims have been cancelled and certain claims have been added. Specifically:

- Claims 7 and 10 have been cancelled.
- The dependency of claim 13 has been corrected.
- New Claims 14-17 have been added. These claims are based on original claims 3-6 respectively.

No new matter has been added by these amendments.

The above amendments have been made without prejudice to Applicants right to prosecute any cancelled subject matter in a timely filed continuation application.

Applicants believe the application is in condition for allowance, which action is respectfully requested.

Although Applicants believe no fees are due, the Commissioner is hereby authorized to charge any deficiency in the fees or credit any overpayment to deposit account No. 50-3231, referencing Attorney Docket No. 101358-1P US.

Respectfully submitted,

/Lucy Padget/
